Secretary Report March 2021

The February minutes were compiled and sent to the Area Chair for review on February 28, 2021. The February Minutes were approved by the Area Vice Chair February 28, 2021. The minutes were distributed via email on February 28, 2021. There were 12 groups receiving the minutes. I ask that subcommittees and GSR's submit their reports and motions via email, preferably not on the day of HASC. Also, I would ask that pic nor jpegs be sent in lieu of pdf's or emails as they consume a lot of space and ink.

In Loving Service,
Devon W.
HASC Secretary.

Regional Committee Member Report to HASC

March 14, 2021

I am an addict; my name is Ron. I am Heartland Area's Regional Committee Member (RCM). For those of you who don't know what I do, here are the highlights:

• Just as you GSRs are representatives for your respective group at HASC, I am a representative for the Heartland Area at the Regional Service Committee (RSC). I am a liaison between our Area and the Florida Region (and the rest NA, inclusive of NA World Services).
• RSC weekend is held every other month, typically in Orlando or Tampa. It is a weekend-long service event where all the RCMs from all over the Florida Region get together, as well as the Regional Delegate and Alternate Delegate (RD and AD, respectively), Regional Coordinators (PR, H&I, IT, etc.), Human Resources (HRP), FRCNA, RSO and others. This is the time when, much like here at HASC, we all get together to collaborate, carry NA's message and help each other. We discuss any issues that an area may be having and provide each other with experience, strength, and hope –and potentially create workgroups to help find solutions for more complex issues. We hear the reports from all the different Coordinators, boards, and the news from NA World from the RD/AD team. We vote our area's conscience on proposals (motions) from the Region and World.
• Every RSC weekend, the RCM Team provide a report of all the things going on in our Area (issues, events, votes, etc.).
• Then, every month, here at HASC, we pass along the information that was covered at RSC, so (hopefully), GSRs can deliver information back to home groups.
• Any member is welcomed to join in on an RSC weekend! No service commitments or clean time required. All we ask is that if you're staying in a room, you provide a report to HASC about what you saw, learned, or participated in while you were there.

NA World Service Update

Recovery Tools Survey

What recovery tools are important to you? NAWS has posted a short survey put together by a couple of researchers with whom NA cooperated with in the

past: www.na.org/survey. Their aim is to publish an article for addiction professionals about what is important to members in recovery. As we have reported in the past, cooperating with these researchers has resulting in articles that help professionals to see Narcotics Anonymous as a viable program of recovery. Bear in mind as you take the survey that it was composed by outside researchers and not World Services. Many of the terms used in the survey are not defined or stated as we in NA would define them or say them. Perhaps the most glaring example of this is the definition of relapse. Please know the way this term is used reflects a perspective from the medical community and not NA World Services' perspective or the understanding of NA as a whole.

The survey will be online through the end of May. NAWS encourage you to share this survey with as many members as you can. We are a Fellowship centered in the therapeutic value of one addict helping another. The more members who fill out the survey, the more we can all learn what recovery tools have played an important role at various points in members' recovery.

20 March, 2 pm-5pm, Eastern Daylight Time: Current Activity at NA World Services

World Services often gives a PowerPoint update about what we are working on when we visit service bodies and events. This is the first time we will be presenting a "NAWS Update" to any interested member anywhere.

Zoom link: https://NAWS.zoom.us/j/94814793098

Webinar ID: 948 1479 3098

Toll-free: 877 369 0926 or 855 880 1246

International numbers available: https://NAWS.shoot up.us/u/acxcO93tWy

There will be time for members to ask questions via a text box. We only have the ability to respond to questions submitted in English during the webinars, but questions are always welcome at wb@na.org.

A livestream link will be posted at www.na.org/toolbox a few minutes before the webinar begins for those who would prefer to watch a livestream and not attend via

Zoom. Note that you will not be able to ask questions or access the interpretation feeds from the livestream link.

Local Service Toolbox Survey and Outline

NAWS is taking the next steps for the project on virtual meetings: www.na.org/toolbox.

NAWS posted an outline of virtual meetings' best practices. As NA receive input on the outline and more information from the Fellowship, NAWS will post updated versions. Check it out, and let NAWS know what you think: toolbox@na.org.

NAWS is also collecting information through another short survey—this one is about how virtual meetings are connecting to the wider world of NA and NA service delivery. This is also the topic of this weekend's webinar (see below). This topic is new to many of us. Sharing any experience you have is a service to NA as a whole.

One of the questions in the survey is whether you believe virtual meetings meet the criteria listed in *The Group Booklet* to be considered NA groups. The survey results will inform discussions on the issue at the next World Service Conference. Thank you in advance for filling out the survey and helping to spread the word.

See the report posted on the project page www.na.org/toolbox for more detail.

SPAD!

The Spiritual Principle a Day (SPAD) Book Project will be posting draft entries for your review very soon, and principles are online for you to write about now: www.na.org/spad

The drafts include entries on 22 different spiritual principles:

Accountability, Authenticity, Awareness, Commitment, Communication, Connectedness, Courage, Discipline, Flexibility, Freedom, Hospitality, Humor, Inclusiveness, Integrity, Optimism, Patience, Prudence, Self-Acceptance, Self-Support, Tolerance, Unconditional Love, and We.

Check it out! Send input on any or all of the entries by 31 May 2021

If you'd prefer to do some advance writing on spiritual principles, 23 of them are posted ready for your thoughts, through the month of March, including, but not limited to:

Attentiveness, Caring, Consistency, Interdependence, Purpose, Selflessness, Sincerity, Solidarity, and Steadfastness

NA literature is written by addicts. Be the we. Share your input or your writing.

Service Day

Service Day is every year on 1 May. You can find a flyer at www.na.org/dates and www.na.org/nawsevents. NAWS is planning a webinar 11am-1pm Service Day this year devoted to the gifts of NA service. A panel of members from around the world will share their experiences in all kinds of NA service, and there will be time to ask questions.
Have you seen the I SERVE pins? They are a pretty nifty gift for your favorite trusted servant. You can buy them at www.na.org/webstore.
Let NA World Service know how you plan to celebrate: worldboard@na.org.

In Loving Service,
Ron M.

2/14/21 PR Sub-Committee Report

Greetings Heartland ASC,

Your PR Sub-Committee met on January 23th. We had 3 addicts in attendance. Our meeting was held over the video conferencing platform ZOOM.

We discussed SyFy Bartow and concluded that while we didn't have as many people approach the table as we would have liked it was definitely a success. We are letting the public know that we are here and we did hand out some meeting lists, literature, and gave away a basic text to an addict in need. I feel like we got a good baseline out of SyFy Bartow and the inventory we will need for other such events. The folks who put on SyFy Bartow seemed to be pleased with us and stopped by at the end of the day to praise our efforts. As long as we continue to request a spot each year, I do not feel like we will have any problems being approved and we can put this event on our yearly event list for the future.

We are looking at other events across our Area, some we have attended in the past, and some which are new to attend. As soon as events begin opening up it will be one of our priorities to have tables and literature available.

We are also beginning to discuss the possibility of making a You Tube Presentation Video which would allow the community to self service a Heartland Area PR Presentation. More to come on this new and exciting adventure!

We have begun to work on our annual budget. I feel like I need to remind everyone that we have taken over the meeting list budget which will double our annual budget so I don't want folks to be surprised.

We had 5 requests for Meeting lists last month. All Home Groups needing meeting directories should email us at public.relations@naflheartland.org. Please do not put your requests in the chat it is too hard for me to copy them all down. We need your name, Home Group Name, and physical mailing address. We will not send to the facilities that your Home Group meets at so please use a home mailing address.

As always, we can't do this alone and need your help.

Come put some service in your recovery. WE ARE ALL P.R. and we can't do this without you.

In Loving Service,

Lori B
