RCM 1 Report to HASC, September 2022

I am an addict; my name is Ron. I am Heartland Area's Regional Committee Member (RCM). For those of you who don't know what I do, here are the highlights:

- Just as you GSRs are representatives for your respective group at HASC, I am a representative for the Heartland Area at the Regional Service Committee (RSC). I am a liaison between our Area and the Florida Region (and the rest NA, inclusive of NA World Services).
- RSC weekend is held every other month, typically in Orlando or Tampa. It is a weekend-long service event where all the RCMs from all over the Florida Region get together, as well as the Regional Delegate and Alternate Delegate (RD and AD, respectively), Regional Coordinators (PR, H&I, IT, etc.), Human Resources (HRP), FRCNA, RSO and others. This is the time when, much like here at HASC, we all get together to collaborate, carry NA's message, and help each other. We discuss any issues that an area may be having and provide each other with experience, strength, and hope –and potentially create workgroups to help find solutions for more complex issues. We hear the reports from all the different Coordinators, boards, and the news from NA World from the RD/AD team. We vote our area's conscience on proposals (motions) from the Region and World.
- Every RSC weekend, the RCM Team provide a report of all the things going on in our Area (issues, events, votes, etc.).
- Then, every month, here at HASC, we pass along the information that was covered at RSC, so (hopefully), GSRs can deliver information back to home

groups.

- Any member is welcomed to join in on an RSC weekend! No service commitments or clean time required. All we ask is that if you're staying in a room, you provide a report to HASC about what you saw, learned, or participated in while you were there.

NA World Services

60th Anniversary White Book

NAWS ran out of copies of the [60th anniversary White Book](#) briefly, but it is back in stock. As a reminder, this special edition contains the complete English Little White Book, plus stories from the 13 other language versions translated into English. It's item #1501 for \$15, in NAWS' webstore: www.na.org/webstore.

As been reported, supply chain issues have affected World Services. NAWS is trying to build back this inventory item, but in the meantime, your patience is appreciated.

Unity Day Webinar

On Unity Day was 3 September, 11:00am–12:30pm, Pacific Daylight Time (18:00–19:30), NA hosted a recovery meeting with six speakers, long-term members, and members from around the globe. At the close, NA joined with members around the world to say the Serenity Prayer. The meeting was also livestreamed, and that link was posted.

SPAD

NAWS wrote about this before, but continue to get questions: NA expects to have [A Spiritual Principle a Day](#) for sale before the end of the year. Because of delays NAWS will only commit to what they know they can make happen. Trusted servants will send an email notification, including pricing, when it is in stock.

Loner Survey

NAWS has been surveying the Fellowship to ask for input about a revision to *The Loner*, IP #21. The survey was to be up through the end of August: www.na.org/survey.

In Service,

Ron M., Heartland Area RCM 1

Closed with moment of silence and 3 rd step prayer.

I have enjoyed my time as Area Chair and Area Vice Chair for about two years. However, it is time to resign. I've met someone who has an RV and we're going to travel the country in it starting in November. I will not be the Area Chair starting in November. My last time as Chair will be October 9, 2022. I've appreciated and loved my time in this area and I hope for the best for this area.

In Loving Service,
Richard T.
