Corrections Resource Coordinator Report
The correction workgroup met on zoom Sunday 9/13. There were 9 members in attendance. We discussed successes and struggles that the members were having at the prisons they volunteer at. There are some prisons that won't do a full call out to the whole prison, just one dorm. We will work with the prison to see if we can

correct that. We have prisons that do open call out and the volunteers have some issues that arise from that (people who want to come and hang out. People who share a blurred/mix/ non-NA message). We gave some suggestions on how to handle the situation. Corrections and PR attended the Florida council on crime delinquency 96th annual criminal justice training institute. PR had a booth set up and did their part and corrections attended some workshops to see how to better further the message of NA in the doc. We met a contact from BOP (federal bureau of prisons). He will put us in contact on how to start in the bop. As we talked to multiple employees about the workgroup we started pushing the bridging the gap part of the workgroup. We heard in the workshops and employees about their push for helping newly released inmates find their way in society. We are still working on the (the work) part of the workgroup sponsorship behind the walls. We are continuing to grow behind the walls and between the walls. Please announce or continue to announce the corrections workgroup and the need for volunteers. We found out from the DOC that members can volunteer from outside the state of Florida and also that they require 2 years out of prison to get cleared to volunteer in prisons, and may be cleared before 2 years. Potential volunteers fill out the volunteer form. We are in talks with the DOC to record well established and new behind the wall meetings to show prison admin as to what we are trying to do. Polk CI had 84 members in the meeting. Weekly zoom meetings now have 3 prisons in one meeting. Georgia has asked corrections to do a presentation at their next RSC, they are starting to do prison meetings. We have also been asked by zone to be a point of contact when the regions that make up the southeast zonal have questions and suggestions about what we do here.

RD/AD Report

On July 24 – 26th this Delegate Team attended the Southeastern Zonal Forum held virtually and hosted by the North Carolina Region. Friday night targeted new delegates joining the SEZF. Our AD, Myra C was introduced to the Zonal members and given an orientation of the mission, purpose, website, and other essentials of the Zonal Forum. **Here are the key outcomes from Saturday and Sunday:** Angelo B. of Florida gave a presentation on the Between the Walls Task Force. The Zonal Forum elected to adopt the taskforce to replace the dormant H&I taskforce. Angelo B was appointed as the leader. Charles D. of Florida was appointed as the new PR taskforce leader. Ramon R. of Florida was nominated for Facilitator of the SEZF. His qualifications were read. Belynda N. of Florida was nominated for Secretary/Treasurer of the SEZF. No qualifications needed as she is the current Secretary/ Treasurer. Jacob S. of North Carolina was nominated for Web Servant of the SEZF. His qualifications were read. Elections will take place at the November SEZF. The Zonal Forum will be held in-person in the Kentucky Bluegrass Region at their Convention, November 6–8, where the Zone will host workshops and conduct SEZF business. On Saturday, July 25th, a Conference Participants web meeting was conducted by Narcotic Anonymous World Services [NAWS]. RDs and Ads were split into small discussion groups to give input on the topic of "Welcoming the New Member." The Florida Region has already conducted a workshop on the topic during our Florida Regional Convention facilitated by Myra and Carlos. The outcomes were sent to the World Board after the web meeting. Another Conference Participants web meeting was held yesterday, September 19, 2026. The World Board Chairperson, Jack H, addressed the removal of bulletin #29 that addressed NA's stance on MAT/DRT from 1996. The WSC 2026 agreed that the defunct World Board of Trustees' philosophical writing is no longer the conscience of NA as a whole. Bulletin 29 will not be replaced with any written opinion until the Conference Participants arrive at a consensus. Jack also addressed the creation and sales of counterfeit literature. A member, unnamed, was sent a legal Cease and Desist letter to stop making and selling unapproved NA literature. There is no current intent on future action. We have 3 IDTs that will be workshopped by the Delegate Team:

1. Welcoming the New Member
2. Attracting members to service and mentoring them
3. Group and Area Services (to feed the revisions to The Guide to Local Service and The Group Booklet)

We will collaborate with Fellowship Development and give you dates and times for these workshops.
Grateful to be in and of service,
Myra and Carlos, your delegate team.

HRP Report

Since the Human Resource Panel (HRP) has been dormant since July, the panel has not conducted regular HRP meetings or panel business during this reporting period. Therefore, there are no additional HRP activities to report at this time. In June, the HRP completed the vetting process for two candidates for the Public Relations Co-Coordinator position: Shahid M. – Heartland Area and Desiree S. – Orlando Area. The Young People's Workgroup

remains in the vetting process. The HRP continues to work toward completing the necessary steps to establish the workgroup prior to the November RSC.

RSO Board Report

The Board of Directors met on Sept 12, 2026, virtually. As of 08/31/26 our balance with the WSO was $35,248.68 plus $5,718.10 for shipping for a total of $40,966.78. We have paid another $20,000.00 since then. In the bank as of 08/31/2026: $57,189.63 The 2 CDs were rolled over on 9/18/2026 100084466304 – 7-month CD: $12,783.00 (at 3.50%, maturity date of 4/18/2027); 100084466305 - 7-month CD: $12,783.00 (at 3.50%, maturity date of 4/18/2027). **Inventory:** as of 08/31/2026 $185,008.65 with a retail value of $223,724.87. Now that most of the inventory from before the first of the year is gone, our profit margin has gone down. **Accounts receivable**: we are owed $22,000.00; all within 30 days payable and are all current currently. **Monthly sales:** June 36,573.23; July $66,369.30; August $37,821.17; **Year to date:** $140,763.70. **These numbers need to increase!!!**
I know July looked good in terms of gross sales however that was including FRCNA, where our expenses exceeded our income by $1,136.52. Areas please let us know when you have events that maybe we can attend; if you invite us we can move more of the special items. This will help your RSO increase sales as well as profit margin. Remember we do serve the RSC in providing literature at the same price as NAWS unlike any other regional service office, you get your orders faster through us than NAWS, and in most cases save on shipping or pick up your orders up and not pay shipping at all. RCMs, please take back to your areas, that when they come to office to pick up orders, call first and give the workers a 24 hour notice so they can have your order ready when you get there. **Website:** Website is up, all specialty items are up, pictures have been taken for the items without photos, **Office updates:** Cindy, who on our board will be our Board representative Office Manager that goes in and checks on the office and is there in case of any emergencies. This has been done for the past few years by our vice president Tami but it is a position of its own and Cindy lives in the Heartland area and is able to visit and oversee firsthand the day-to-day operations on a more consistent basis. **Treasurer:** Tim has been working with Ashley on the books and also with the accountant to get the numbers in order for the fiscal year. The round about total for Taxes this year should be about $2,400.00. When we get the final bill, we will let you know at the RSC. We want to thank the RSC for supporting the Board of Directors and the recommended two board members for RSC elect board positions, we now have a full board. You should have noticed the Florida Region shirts we have been selling this RSC and they will continue to be available through the RSO as well as the RSO Board members and RSO staff, call Ashley at the office or reach out to Tami. RCMs, please make sure your area has the current order forms with the correct prices on it. Once again if you have events that you would like us to attend where we can sell merchandise please reach out to me or Tami or the office and we will be there. We welcome you to come and visit our office Monday to Thursday 8:00 AM to 3:00 PM and see the office and some of the specialty items at: 2222 South Combee Rd., Lakeland, Florida 33801- In the heart of the Florida Region.

RSC Notes RCM 2 09/19/2026

Saturday Fellowship Development

Open Forum

- If online and have question, submit to Secretary otherwise fill out "Ask An Addict" form.
- Make sure your Area is represented in the Florida map, see Annette.
- RSO will can be asked to attend your events and fund raiser, just call the RSO to see if they're available.

Area Support Topics

- **Coquino Coast** - How to have an open meeting inside a treatment facility; if you have any information please contact their RCM.
- **Bay Area** - How much was spent on the last years room for RSC. Had a homegroup member as to see the last 10 years budget, but a response email was never received. Current year $225 x 6 x 19 rooms, 2025 expenses $175 x 6 x 19 = $19,950 vs current year estimate $225 x 6 x 19 = $25,650
  - Requested an RSC discussion on Concept 11. "NA funds are to be used to further our primary purpose, and must be managed responsibly."
- **Recovery Coast** - Requesting feedback from other areas regarding RCM reimbursement practices.
- **Chain of Lakes** – H&I has a conflict with other fellowship started on the same night 30 minutes earlier, it affects-attendance asking for possible solutions.
  - Activities Subcommittee having struggles with involvement and lack of interest.
- **Big Bend** (Jim Member) – Presented a proposal to have Areas host FRSC. After a long discussion a work group will be created, Angelo as leader. Reach out to FD Leader (Colin) if interested in being on the work group at fdleader@naflorida.org. Uncoast, Coquina Coast, Palm Coast, Suncoast, and Big Bend, are interested in hosting the September 2027 RSC. The RSO/AD team will move forward and sign the Contracts for the RSC weekends through May 2028.
  A discussion on the floor from the RSC members
  - If FRSC is on rotational process how will that affect our pricing at the Rosen Center and special pricing?
  - Our last signed contract is May of 2027. Plaza Center couldn't accommodate us on the 3rd weekend due to a prior event that was scheduled for that same weekend in September 2027.
  - A feasible study needs to be addressed for this and to put in some guidelines: What we want in the hotel, pricing and more. The concept is good but let's move slowly so we can get more people involved in this service.
  - We need a full contract to look at so we can compare it with other area hotels. (Contract sent out by RD)
  - A Motion was made to make this into a work group discussion. Angelo is the leader, reach out to fdleader@naflorida.org to get involved.
- **Recovery Coast –** Proposed to have RSC start at 10 am instead of 9 am to allow RCM to drive into the RSC on Saturday mornings. **Straw Poll** results did not support moving forward.
- Member Orlando (Mark) Proposed to redevelop the process of selecting and election of trusted servants and workgroup members, Guide Meeting, GFRS Ownership.
- (Mark) Move FRSC to Quarterly Form.
- A wordpress and service space were allocated to River Coast area as part of the offering from the Region to provide web space and expertise for areas that request it. The Florida Regional website continues to experience issues with reliability and monies have been donated to redo our wordpress site and move it to a new Linux distro based on a 2026 server. More will be revealed and this effort is expected to be completed within the next 6 weeks (end of October).

- **Guide To Florida Regional Service Meeting:**
  - Discuss **Proposal 2026.09.01** - work group replace page 18 with revised Acclamations, Nominations, Election Section, to proceed to Sunday for vote.
  - **Proposal 2026.09.02** Co Facilitator - Discussion on request for Strategic Planning Budget to Sunday for vote.

HRP – Primary purpose of the Human Resource Panel is to facilitate a trusted servant selection process. This allows the Florida Regional Service Conference to base trusted servant choices upon the principles of availability and experience. Allow members from within the region to be suggested/nominated for participation in regional projects without having to be present to receive due consideration. Creates a more open opportunity for regional service benefit from our collective resources by providing an established and recognized process by which to do so.

- Had a work group of the process of vetting trusted servants, revitalization workforce and how to update and guidelines
- Take the HR panel voting to your Area because it doesn't matter if you know the person, they have a vetted resume attached.

Election Procedures

- Page 18 of the Guide to Florida Regional Service was discussed and revised by adding two new items (number 13 and 14) and then a new number 3.
  - This showed this new RCM 2 that the Guide To Florida Regional Service (GTRS) is truly a living document designed to allow for ongoing review, clarification, and procedural improvements. This may be a prudent thing for our Area to look into for future Policy and Guidelines packet revisions; saving us $400 on printing, and be prudent with our 7th Tradition in the future.

Adding events to the NA Florida Regional Calendar

This feature allows an Area to add events to the NA Florida Regional Calendar at the same time they are adding it to their Area's Calendar.

- It starts with a simple request sent to itc@naflorida.org and I would be happy to help any subcommittees with this. This can help us get more people taking road trips to our Area for our events and fund raisers.

Upcoming events

Please look at the thumbnail pictures of the upcoming events in Florida Region. For more information or to print out the Flyers themselves, go to naflorida.org/rsc September 2026 minutes.

Please contact other members for possibly doing what some of us call "**asphalt recovery road trips**" to these events. The meetings sometimes before and after the event are as good as the event. Thank you for letting me be of service.

In Loving Service (ILS),

Doug B. RCM 2

CARRY THE MESSAGE

"Having had a spiritual awakening
As a result of these steps
We tried to carry this message
to addicts

YOU HAVE A STORY SOMEONE NEEDS TO HEAR

Our message of hope can change lives.

Be part of the solution. Be the reason someone finds recovery.

2ND SUNDAY OF EACH MONTH FROM 12–1

AND GET YOURSELF A

Policy Chair Resignation

The 2023 World Service Conference (WSC) had consensus to select this (Gender Neutral and Inclusive Language in NA Literature) as one of four Issue Discussion Topics (IDTs) for the cycle. At the bottom left, of slide 8, of the ***Gender-neutral-and-inclusive language-workshop*** Power Point, it states, ***"Honesty, trust, and goodwill are the foundation of our service efforts, all of which rely upon the guidance of a loving Higher Power***." The irony of this statement with regards to this endeavor cannot be overlooked. The following quote from a member can also be found in the Power Point, available here, It is used as a primary discussion point for a topic at the workshop: https://na.org/idt/current-issue-discussion-topics/

> ***"I identify as nonbinary and feel 'othered' whenever I hear 'men and women' in the readings or literature. Like most addicts, I just want to belong. I feel welcome in meetings, but the language makes it hard for people to use my pronouns, so while I am getting recovery NA, I still feel excluded because of the language."***

The following is an excerpt from our Step Working Guide. This can be found in **Step 1** in the **Denial** subsection. "***Denial is the part of our disease that tells us we don't have a disease…One of the easiest ways to tell that we are in denial is when we find ourselves giving plausible but untrue reasons for our behavior."***

What our own beloved program has done is allowed itself to become polluted with a social contagion which carries a very real and identifiable pathology. Our NAWS has created a solution for something which is not a problem. That phenomenon is a key indicator of troubling times to come. This is a radicalized partisan political outside issue, and a direct violation of the 10th Tradition which will continue to grow and dilute NA as a whole. This is only the beginning. The affirmation of denial is a direct contradiction to a multitude of our Concepts, but primarily our 11th and 12th Concept.

> ***11. NA funds are to be used to further our primary purpose and must be managed responsibly.***
>
> ***12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government***.

It is because of these reasons, and many more, I cannot, in good faith, continue to be the Chair of the Heartland Area Policy subcommittee or as a member of this fellowship in any capacity. I owe my life, my family, my purpose, and my career to Narcotics Anonymous. This is the fellowship which taught me how to have spiritual conviction and how to spot denial and delusion. This is why this situation is so incredibly paradoxical. For those of you who are waiting for the removal of God from our literature before your exodus I assure you, affirming radical gender ideology is the removal of God from our fellowship.

Nothing for open forum

Contact Reports:
New Non-NA affiliated contacts
No new contacts in September

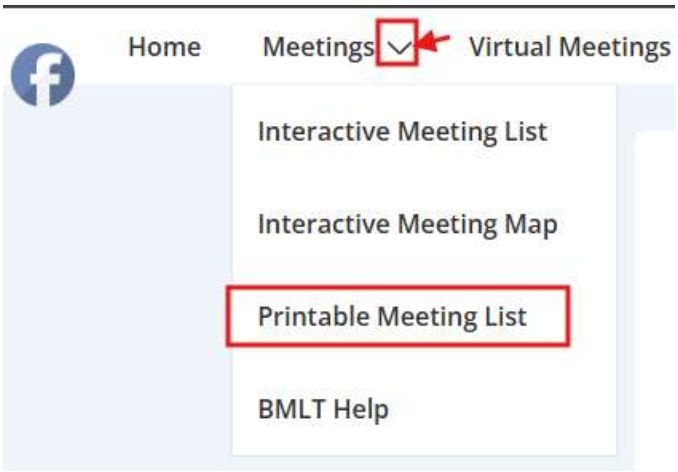

Material Distribution:
- Donna, MaryAnn, and Bob C. and other members distributed September meeting lists.
    - If you are interested in volunteering to distribute meeting lists in your community, contact Donna W. at 863-430-3676. Text is best but if you call please leave a message. You don't have to be a member of PR to take some meeting lists for facilities in your community, we just need to be able to plan on how many to send with you so contacting me in advance of HASC is recommended so I can give you some to take with you. Ideally before the first of each month so I can include them in our printed meeting list order.
- Mailing meeting lists:
    - Groups that are unable to regularly attend HASC and need updated meeting lists can send a self-addressed, stamped envelope to me at home and I will send you 5 meeting lists back:
      Donna Windsor
      806 Slash Pine Dr.
      Auburndale, FL 33823

  #10 Letter sized is recommended so the meeting lists will fit, 5 meeting lists weighs 1.2oz so please use sufficient postage.

  REMINDER TO ALL GROUPS THAT IF YOU ARE UNABLE TO COME TO HASC TO OBTAIN MEETING LISTS THEY CAN BE PRINTED DIRECTLY FROM WWW.NAFLHEARTLAND.ORG.

  To do so follow 3 steps:

1. **Click/tap the dropdown arrow next to meetings**
2. **Click/tap Printable Meeting List**
3. **Print on legal sized paper (8.5" X 14")**

- Recycling old meeting lists
    - We asked at HASC for GSRs to bring back old meeting lists that were not current when coming to HASC so that we can correct and distribute to those in treatment at each HASC meeting, this also helps us to have an idea of what is not being used so we can streamline our orders to be prudent with NA funds.
- Meeting list updates: It the responsibility of each group on the meeting list to update the PR subcommittee when your listing needs to be removed or changed. The easiest way to do this to attend HASC but you can also contact Donna W. or any member of the PR subcommittee.
- We are asking each group on the meeting list to provide the PR chair and/or team with some contact information so that we can reach out if we need to find out about the group listing to make sure it is correct and maintain contact monthly. If we cannot confirm the details of the meeting with a member regularly, we run the risk of sending someone to a facility after hours with no one there. This creates a poor experience for a newcomer who may never speak to anyone and may not return if put in this position. Failure to stay connected will result in being moved to the unpublished category until your meeting details can be confirmed. We would like to thank all the groups who contacted us and helped us ensure the meeting list accuracy.

Old Business:

Proposed Webpage Revisions:

- Defining services that we offer and updating the webpage to make this information available to NA members and the public:
    - To professionals, substance use treatment industry, community groups
    - To NA groups (or groups being formed) needing guidance
    - To facilities interested in NA services
    - To individuals interested NA

Policy Review:

- We are planning to review our policy at the next meeting to evaluate if it accurately reflects our day to day duties or needs revisions.

New Business:

- No new business

Nominations to fill vacancies:

- Current vacancies include: Web servant, Vice Chair

Closed with:

Serenity prayer

Next meeting date: WEDNESDAY October 21, 2026, 6pm Hybrid Zoom/In person

If you are interested in PR we would love for you to join us.
Our volunteers typically serve the fellowship by:

- Distributing literature to facilities such as IPs and meeting lists
- Contacting and communicating with communities, professionals, and facilities who have questions or requests for information about NA and specifically the Heartland Area.
- Assisting groups and members who need to be added to the meeting list/removed from the meeting list/updated on the meeting list
- Setting up tables/booths at community events to share information about NA and answer questions
- Making presentations to professionals and facilities who request them to provide information and answer questions about NA and how the Heartland Area can be of service to them and their clients.

Sharing recovery — FROM THE HEART

- The FRC Support Merchandise sub-committee met on Sunday, 10/4/26, at 10 am, Hybrid. The meeting was chaired by FRC Board Member Dennis J (Greater Orlando Area). Other attendees included Marcia C (Palm Coast Area), Reggie W and Bob K (Heartland Area), Rick H (Greater Orlando Area), Charles D (Forrest Coast Area), and Cindy S (Palm Coast Area), who attended via telehealth. Crystal & Sean M contributed via GroupMe.
- The committee reviewed and discussed several logos submitted for consideration for pre-convention and convention logos. If anyone would like to submit a logo please do so at info@frcna.com. The deadline for doing so is 2/15/27. The committee discussed what sold well last year. The committee is considering allowing RCMs to purchase previous-year convention merchandise at a discount price to be used for local fundraisers. They also discussed donating older merchandise to Program 180, which is a non-NA affiliated program that assists people coming out of prison/jail. Lastly, the committee is considering looking into the cost of making recovery blankets out of the left-over merchandise materials currently being housed in the warehouse, which would then be offered for sale to NA members. The next subcommittee meeting will be held on Sunday, 12/6/26 at 10 am via telehealth.
- The theme for FRCNA 45 is "No Matter What". The convention will be held from Thursday, 7/1/27 through Sunday, 7/4/27 at the Rosen Centre (9840 International Drive, Orlando, FL).

Good afternoon to all and a special welcome to any new GSR's here today. Please let me know how I can assist you with any questions or concerns you may have regarding your position of GSR. I am here to help.

I am open to receiving suggestions. if I cannot assist, I will do what I can to find someone who can. I am not always going to be in this position of course, but I would like to know if there is anything that this position may be able to help with now and in the future.

You can always reach me by phone, email or text. My direct contact is on the contact information in the minutes and my email is stellaml78@yahoo.com

I currently have 1 Guide to local services- 3 The group booklet and 4 GSR Basics
